## 2024-25 School Profile

**COLÉGIO BANDEIRANTES** is a co-ed, private, and non-religiously affiliated institution.

Established in 1944, Colégio Bandeirantes has continually grown and evolved, adding academic programs and services that meet the needs of the students in an ever-evolving society. At the same time, the school has remained loyal to its original mission of educating students for personal, academic and professional success. Its long-standing reputation for excellence in academics stems from teachers' qualification, state-of-the-art technology applied to education, effective academic support, social emotional learning and more.

The school covers 12 years of education: five years of **Lower School** (grades 1-5), four years of **Middle School** (grades 6-9) and three years of **High School** (namely first, second, and third year; corresponding to grades 10-12).

**Bandeirantes students are college-oriented and regarded as high achievers.**

They are immersed into a rigorous academic environment and continuously challenged, which makes them prepared to take national and international tests for different purposes, to be successful in the entrance examinations to domestic universities and colleges as well as get engaged in many extra-curricular activities and projects, such as Science Fair, Model UN, Investments Club, Science Club, Film Club and many others.

**The school has the highest entrance rate to the top Brazilian universities among secondary schools in São Paulo and ranks among the top schools in the national exam ENEM** - Exame Nacional do Ensino Médio (National Exam for High School students), administered once a year by the Ministry of Education every November.

### 2024 FACULTY

Faculty consists of 193 professionals. Bachelor's Degree in the corresponding major for the teaching field is required. Over 50% hold a Master's, PhD and/or postgraduate degree.

**The school firmly believes that human capital is its most valuable asset**, actively encouraging and supporting the faculty's professional development. Funds are allocated to sponsor participation in local and international seminars, conferences, or even long-term programs in the country or abroad.

### 2024 ENROLLMENT

2,797 students (53% Female | 47% Male)

Seeking diversity, Bandeirantes has partnerships with different NGO's that identify high achieving students coming from low-income families and offers them scholarships. We currently enroll 130+ of these students, being ~110 from the ISMART Project.

### SCHOOL CALENDAR

### CURRICULUM

## GRADING SYSTEM

Grades are expressed in figures on a scale from 0.0 to 10.0. The minimum passing grade in grades 6-9 was 5.0 until December 2021. As of 2023, a minimum passing grade in grades 6-9 is a 6.0 in each curricular component. Because academic standards are set high, 5.0 or 6.0 as a passing grade means “achievement.”

There are three two-week evaluation sessions throughout the school year. The overall grade results from three-term grades, weighed 3, 3 and 4, respectively.
